To Whom It May Concern:

We would like to take this opportunity to announce a call for presentations for the 5<sup>th</sup> annual Lake Cumberland Healthcare Symposium. The symposium is scheduled for August 24-25, 2017 at the Lake Cumberland State Park.

Our symposium staff is looking for creative, thought-provoking and educationally sound presentations that are relevant to EMT's, AEMT's, Paramedics, Registered Nurses, Radiology Technicians, Respiratory Therapists, and Firefighters. All of the presentations should be appropriate to be presented to all of these disciplines since there is only one general track this year. Our staff will evaluate all submissions based on: appropriateness for all disciplines, overall quality, practical applications of presentation content, presenter qualifications.

All submissions should be submitted electronically in either Microsoft Word or PDF format, along with JPEG picture, by May 15, 2017 to [symposium@rcems.com](mailto:symposium@rcems.com). Each submission MUST include the following to be considered:

- Presentation Title
- Presentation Description
- Presentation Objectives/Outline
- Speaker Curriculum Vitae
- Speaker Biography
  - Including names/title of speaker(s)
- High quality JPEG format head shot suitable for publication in symposium program
- Any special equipment or request(s) (a PowerPoint projector and windows based computer will be provided)

If you have any questions or comments, please feel free to contact us via email at [symposium@rcems.com](mailto:symposium@rcems.com) or one of the following individuals directly:
